

Memorandum

Date: July 15, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Safeguard America, Inc. Application for a Limited Passenger Motor Carrier Certificate of Transportation

Agenda Item No. 14(A)(5)

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the application of Safeguard America, Inc. for a Limited Passenger Motor Carrier (PMC) Certificate of Transportation for the provision of limited passenger motor carrier services. The Limited Passenger Motor Carrier Certificate for Safeguard America, Inc. is for transportation work under Miami-Dade Transit Contract No. 9791-1/24.

Scope

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

Fiscal Impact/Funding Source

Licensing, operating permit and inspection fees are collected by the Department of Regulatory and Economic Resources to support regulatory activities. There is an annual regulatory fee of \$625 per certificate and \$625 per vehicle that will yield \$6,250 in revenue annually since the company will operate nine (9) vehicles as required by the contract with Miami-Dade Transit. Passenger Motor Carrier certificate holders can operate an unlimited number of vehicles under the certificate. Vehicle inspections are \$38 per vehicle.

Track Record/Monitor

Applicant is an existing service provider. The applicant is in compliance with all Miami-Dade County Code (Code) requirements. Joe Mora, Division Chief within the Department of Regulatory and Economic Resources, will be responsible for monitoring this company.

Background

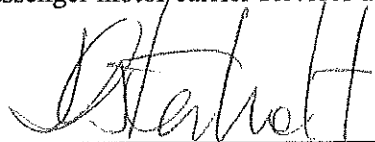

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 of the Code provides that a passenger motor carrier proposing to provide transportation services pursuant to a contract with Miami-Dade County for the provision of Miami-Dade Transit services, may satisfy the passenger motor carrier certificate requirements by obtaining a limited certificate of transportation. A holder of a limited certificate of transportation must comply with all requirements of the Miami-Dade County Code pertaining to holders of a Certificate of Transportation; however, the requirements of Section 31-103 (e) pertaining to hearings, notices, and administrative protest procedures and Section 31-103 (f) pertaining to advance notice to certificate holders and applicants do not apply. The limited certificate of transportation shall only authorize provision of transportation services pursuant to a contract for so long as the contract is in effect. A person who is issued a limited certificate of transportation shall not lease or otherwise assign the right to operate under such certificate to any other person.

Safeguard America, Inc., located at 3935 NW 26 Street, Miami, FL 33142, proposes to provide passenger transportation services solely in accordance with the terms and conditions of Miami-Dade Transit Contract No. 9791-1/24. The contract includes two routes: (1) Dade-Monroe Express, which runs between Florida City and Marathon; and (2) Card Sound Express, which runs between Florida City and the Ocean Reef Club. Contract No. 9791-1/24 was awarded by the Board on May 6, 2014 via Resolution No. R-417-14

The management plan submitted by Mr. Steven Masdeu, President of Safeguard America, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

In July 1998, the Board approved Resolution R-1404-98 placing a moratorium on new PMC applications, with certain exceptions. One of the exceptions is a finding of public interest. The proposed transportation service will augment transit services and increase mobility and access to businesses and services for certain segments of the population. Based on this information, it is in the best interest of the County to approve this request to limited passenger motor carrier services as described herein.
